

# PARENTING AND FAMILY LITERACY CENTRES

Please come and visit our Parenting and Family Literacy Centre with your children from babies up to 6 years of age.

The Centre is part of our school and offers fun programs that help children get ready for school.

It is FREE and NO REGISTRATION IS REQUIRED.

Parenting and Family Literacy Centres are school-based programs in which parents, grandparents and caregivers with their children, participate in a range of play-based learning activities that focus on the optimal development of the child and the early acquisition of literacy and numeracy skills.
